

HOW TO STAY SAFE & HEALTHY ON CAMPUS

utdallas.edu/comets-United

COVID-19 SAFETY TIPS

- Wash your hands or use sanitizer
- Wear a face covering over your nose and mouth
- Maintain a 6-foot distance from others
- Avoid gatherings of more than 10 people
- Stay home if you feel unwell in any way

CAMPUS RESOURCES

Through August 28, free masks will be distributed at:

- Visitor Center & University Bookstore Building Lobby
- Dining Hall West Lobby
- JSOM II Atrium/Lobby
- ECSW Axxess Atrium

Masks and hand sanitizer can be purchased from:

- The Bookstore - utdallas.edu/services/bookstore
- Vending machines around campus

IF YOU FEEL UNWELL

- Remain off campus or self-quarantine
- Call the **Student Health Center** for assistance and further instructions
- Inform your instructor about your absence

COVID-19 FACTS

COVID-19 is spread from person-to-person

- Respiratory droplets when a person coughs, sneezes, or talks
- Touching a surface with the virus and then touching your mouth, nose, or eyes

Everyone is at risk of getting COVID-19

Older adults and those with underlying conditions are more at risk

The best way to protect yourself is to avoid being exposed

- Wear a cloth face covering in public settings
- Clean and disinfect frequently touched surfaces
- Wash your hands often with soap and water for at least 20 seconds
- Practice social distancing
