

I was a first-generation, DISD graduate with zero guidance. Today, I have completed two under-graduate degrees and will be completing two masters.

Matthew Vazquez
Academic Bridge Scholar
Business Administration

My current research focuses on creating coatings that can make orthopedic implants more successful in diabetic environments.

Alexandra Arteaga
Betty & Gifford Johnson
Graduate Scholar
Biomedical Engineering

I am extremely humbled and grateful for this generous contribution to my education. It's encouraging to know there are people out there supporting UT Dallas students.

Mamadou Diallo
Patti Henry Pinch
Undergraduate Scholar
Electrical Engineering

As a new scientist in this field, this scholarship allowed me to present my latest research on mitochondrial dysfunction in Alzheimer's Disease at a conference in Stockholm.

Esha Gauba
Betty & Gifford Johnson
Graduate Scholar
Molecular & Cell Biology

My mother and father did not have a secondary education. Obtaining a college degree has always been my dream. I am planning to go to Law School.

Venisha Harmon
Patti Henry Pinch
Undergraduate Scholar
Historical Studies

I really appreciate the donors' kindness. It means a lot for a starting Ph.D. student like me to present my work, discuss it with others and make connections.

Junpeng Hou
Betty & Gifford Johnson
Graduate Scholar
Physics

I'm grateful, honored, and humbled to be a recipient of this life-changing scholarship. My goal is to become the first female STEM graduate in my family.

Monica Gonzalez
Academic Bridge
Program Scholar
Biochemistry

I used my scholarship to attend the Community Standards for 3D Data Preservation conference at Washington University in St. Louis, where I was a panelist. I appreciate your promotion of scholarship.

Chukwuemeka Ikebude
Betty & Gifford Johnson
Graduate Scholar
Arts, Technology &
Emerging Communications

All proceeds go towards funding scholarships in The University of Texas at Dallas. Previous tournaments have contributed to:

- **Betty & Gifford Johnson Graduate Endowment**
Helps graduate students attend and make presentations at national conferences
- **Patti Henry Pinch Undergraduate Endowment**
Assists undergraduates with research and travel expenses
- **Academic Bridge Scholarship Endowment**
Helps ease the transition from high school to college by providing on-campus housing, advising, mentoring and tutoring to first-generation college students
