

This platform not only enabled me to engage with fellow academics but ... I was extended an invitation to collaborate on a book project.

Junaid Shah Shabir
Betty & Gifford Johnson
Graduate Scholar
Arts, Humanities
& Technology

My current research focuses on creating coatings that can make orthopedic implants more successful in diabetic environments.

Alexandra Arteaga
Betty & Gifford Johnson
Graduate Scholar
Biomedical Engineering

Networking, detailed feedback, and research-oriented brainstorming are crucial for academic success, fundamentally embodying the essence of conferences.

Giuseppe Peressotti
Betty & Gifford Johnson
Graduate Scholar
Social Data Analytics
& Research

I never thought I could pursue research. However, with the scholarship, I proudly presented research ... furthering my career in microbiology and women's health.

Irene Hau
Patti Henry Pinch
Undergraduate Scholar
Natural Sciences
& Mathematics

My mother and father did not have a secondary education. Obtaining a college degree has always been my dream. I am planning to go to Law School.

Venisha Harmon
Patti Henry Pinch
Undergraduate Scholar
Historical Studies

I am writing to express my sincere gratitude for the invaluable support ... which has significantly facilitated my attendance at the Society for Social Studies of Science conference.

Maruf Rahman
Betty & Gifford Johnson
Graduate Scholar
Arts, Humanities
& Technology

Securing a spot among the top 12 student researchers at CHI2024 is an honor I deeply cherish.

Hamida Khatri
Betty & Gifford Johnson
Graduate Scholar
Arts, Technology,
& Emerging Communication

I used my scholarship to attend the Community Standards for 3D Data Preservation conference at Washington University in St. Louis, where I was a panelist. I appreciate your promotion of scholarship.
