• Special gift

My mother and father did not have a secondary education. Obtaining a college degree has always been my dream. I am planning to go to Law School.

Venisha Harmon
Patti Henry Pinch
Undergraduate Scholar
Historical Studies

As a new scientist in this field, this scholarship allowed me to present my latest research on mitochondrial dysfunction in Alzheimer’s Disease at a conference in Stockholm.

Esha Gauba
Betty & Gifford Johnson
Graduate Scholar
Molecular & Cell Biology

I really appreciate the donors’ kindness. It means a lot for a starting Ph.D. student like me to present my work, discuss it with others and make connections.
