January 24th, 2019

Dear Local Business Leader,

It is our pleasure to invite you to participate in the 26th Annual UT Dallas Scholarship Golf Tournament, taking place on Friday, April 26, 2019 at Firewheel Golf Park in Garland, Texas.

This unique tournament benefits students in need of supplemental financial support through the Betty and Gifford Johnson Graduate, Patti Henry Pinch Undergraduate and Academic Bridge Scholarship Endowments. Over the past 26 years, tournament proceeds have raised the market value of these endowments through the generosity of businesses, institutions and individuals across North Texas. These scholarships assist undergraduates with their educational expenses, allow graduate students to present their research at national conferences, and ease the transition from high school to college for first-generation college students by providing on-campus housing, advising, mentoring and tutoring.

We hope you will help us grow these funds further by participating as a tournament sponsor or a prize donor for our online, silent and live auctions. There are also opportunities to register a team to play in the tournament or to make a one-time donation to support student scholarships. This event is an excellent avenue to connect with members of the local community, as well as UT Dallas faculty, staff and students. In addition, UT Dallas is a tax-exempt state institution, so all your donations are tax deductible.
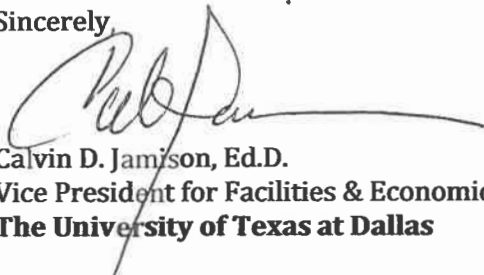

Please visit utdallas.edu/golf for more information, or contact our office (972.883.2213/fed@utdallas.edu) with any questions.

For your records, the University's tax ID is 75-1305566, and our mailing address is:
